OF STOCK IN THE EQUITABLE CO-OPERATIVE BUILDING ASSOCIATION.

ASSETS, \$1,315,111.51.

Books were opened for subscriptions to the 23d issue April 16. Shares \$25.00 each, payable monthly.

CO-OPERATION A SUCCESS.

The Equitable is an exemplification of the cardinal principles of co-operation. It is mutually advantageous and remunerative to those who simply wish to save money and to those who wish to borrow.

The success of the Equitable is due solely to the strict adherence to the co-operative principles. It is today the largest purely co-operative Building Association in America.

PROFITABLE TO BOTH CLASSES.

Those saving are benefited in paying in. If you have small amounts monthly and withdrawing the same in large amounts with accumulated interest.

FINANCIAL GROWTH. The past is the only criterion of the future. The Equitable has accomplished in the past the best possible evidence of what it will accomplish in the future.
